Re: Teamsters Local 456 Pension Funds, et al. v. Earthcon
Industries, Inc., et al., Civil Action No. 7:20-cv-08094 (NSR)

Dear Judge Roman:

We represent Plaintiffs in the above-referenced matter.

We write to respectfully request an approximate forty-five (45) day extension of all deadlines associated with the proposed motion for summary judgment. In short, if granted, the Plaintiffs propose that the motion be due August 11, 2022, the opposition be due October 11, 2022, and the reply be due November 30, 2022. We have alerted defense counsel that this request is being made.

We make this request for two reasons: (a) settlement discussions remain ongoing and (b) Plaintiffs are transitioning to new counsel. As such, to allow new counsel (which likely will be moving to be substituted in on consent within the coming week) to review the case file and engage in the ongoing settlement discussions, this request is made.

We thank the Court for its consideration of this matter.

Respectfully submitted,

Michael S. Adler
